

VALUE & FLEXIBILITY

With the Meal Plan your student is guaranteed a full, well-balanced meal every day choosing from a variety of fresh, delicious options. The meal plan consists of four menu components: (A) one entrée (a meat serving from the steam table, a large bowl salad, OR one hot or cold Grab-N-Go item), (B) two tasty sides, and (C) one fountain drink or milk. All menu items, with the exception of a few beverages, are included in the meal plan program.

TCA DINING

As partners, Trinity Christian Academy and Sodexo are always striving to deliver a high-quality dining experience for your student, while making sure we are not a burden on your checkbook. This also means understanding the needs of your student and how he or she may differ from others. To address this, we offer options to make lunchtime flexible, valuable, convenient, and safe.
