Late Start Care

TCA's Thursday morning Late Starts postpone the start of the school day by one hour, so elementary school begins at 8:45. This provides an opportunity for teachers to participate in staff development. However, we understand that parents may need to get to work or families may need to maintain a consistent morning routine, so Late Start Care is offered FREE of charge for any students who need to be at school between 7:15 and 8:30. Pre-registration is not necessary. Simply sign your child in at the station just inside the elementary entrance. Students are grouped according to age and enjoy a time of gym play, crafts, or center play. Note: Middle/High school students are supervised in the main cafeteria where a special breakfast menu is available.

Before School Care

Students requiring supervision before 7:15 can be signed in at Trinity each morning that early care is needed. Before School Care begins at 6:30 a.m. at a cost of \$10.00 per child per day. Depending on the level of interest, earlier times may be available; contact the elementary administration to make arrangements. Students in Before School Care enjoy morning playtime in the gym and morning devotions before joining the other students at 7:15. Breakfast can be purchased from Sodexo and a place and time to eat is made available. Mornings MUST be prescheduled at least 24 hours in advance. Complete the Trinity Services Registration Form and sign up for the days you need Before School Care in the elementary office. Photo Key Card and a discounted rate may be available for a frequent and consistent schedule of Before School Care.
